VISION

- To develop professionals who are committed to excellence in their personal and professional endeavors through continuous competency building.
- To encourage, support and celebrate intellectual curiosity and impart value based education for the purposeful citizenship and socio-ethical leadership.
- To serve as an intellectual resource based in India, maintain the standards of excellence in every aspect of operation and become a role model for newly emerging centers of quality education.

Mission

- IIHS is committed to a long – term mission of grooming professionals par excellence. We aim at empowering students of business with the knowledge, skills, attitudes and learning experiences which are a prerequisite for transforming them into inspired and responsible leaders who create values in their respective fields, services, business and occupation and influence economic growth and societal advancement.

Objective

- To develop managers, leaders and entrepreneurs with vision, values and ethics.
- To ensure relevance of curriculum to the changing needs of society.
- To provide diversified corporate exposures to the learners in the form corporate induction and industry interface. To groom the budding managers as value based business leaders through defined learning programs and modules on KRAs like academic learning, industry acquaintance, personality development and soft skills.
- To continuously upgrade the intellectual capital for better learning.
- To achieve excellence through team work and dedication.
